**FREEDOM SUNROOM**

*Freedom to enjoy your room the whole year through!!*

*Crafted in the Carolinas.....*

*Made for the U.S.A.*

*Quality and Service since 1958 !!!*

Whether you enjoy watching the flowers bloom in spring, the leaves change colors in autumn, or the snow fall in winter, Ballew's Freedom Room gives you the luxury of enjoying every season right from your own home. Top quality vinyl windows and thermally broken extrusions guarantee top rate energy savings. The extrusions also have built-in electrical raceways allowing for all of the conveniences of home with an attractive outdoor view.

Our low maintenance patio room is designed with the best options in the industry. The vinyl windows are manufactured with top quality vinyl, low e glass, and interlocking meeting rails to seal out the elements and provide a comfortable living environment. Twin cam locks on the windows insure top of the line security, while adjustable brass rollers provide for years of trouble-free operation.

FREEDOM to entertain family and friends or spend a peaceful day in a room that is all your own. It is your choice — CHOOSE FREEDOM.

Extra wide space in electrical raceways makes for easy installation of boxes and receptacles.

Each extrusion has a thermal break that inhibits the transfer of heat or cold from outside to inside.

Duratex

Carefully engineered in 48 states

AAMA certified windows

Exceptional color match between windows and extrusions

Limited Lifetime Warranty on windows

Approximate R-value of 14.28 for walls

Inside removable screens and sashes make window cleaning a breeze

Declare your independence with the Ballew's Aluminum Products, Inc. **Freedom Room**....The room that gives you the freedom to enjoy it throughout the entire year. Be it an extra room for a birthday party in spring, a 4th of July barbeque, Labor Day celebration, or a family gathering in December, the **Freedom Room** provides the perfect style at a liberating price for all of your entertaining.
